Can you find half of these numbers? 12, 14, 16, 18, 20 Watch lesson 5 on grouping and sharing here: https://www.thenational.academy/online-classroom/reception/maths#subjects	Joe Wicks PE https://www.youtube.com/watch?v=RzOgo1pTda8 Complete the fifth activity https://www.thenational.academy/online-classroom/reception/foundation/#subjects
---------------	--	--	---

Hi Reception!

It is fantastic to see what you are doing at home every week, on Tapestry. It is such a lovely way for staff, students and parents to keep interacting during these unusual times. It is great to see you all enjoying the challenges that myself, Mrs Negus and Mrs Q are putting on Tapestry too.

For Phonics this week we are continuing to revise using our Phase 3 sounds. You can find a full list of phonics words using digraphs/trigraphs here: [Phase 3 words](#) to help with 'oo', 'oo', 'ar', 'or' and 'ur' words. There are also some Phase 2 captions that children might like to independently practise here: [Phase 2 Captions](#). If you have any questions or worries, please let me know by adding an observation onto Tapestry or emailing reception@westwoodacademy.org and I'll reply to you directly. I have added some Literacy based Snail and the Whale activities this week to print out, or you can copy the activities out onto paper.

Maths this week is all about halving and sharing objects into equal groups. I have suggested some daily activities to do, but feel free to add any of your own to help your child understand the concepts of halving and sharing equally.

The foundation section this week has Joe Wicks every day, but any sort of exercise is fantastic! I have noticed that a lot of children are also doing cosmic kids yoga that we have done in class previously, if your child would prefer doing [this](#), then that's great too. I have also put links to the Oak National Academy lessons, recommended by the government, as I think they're fantastic. They also have daily Literacy lessons for Reception as well, that your child is welcome to doing if they would like to complete more work. [Online classroom - Reception](#)

Myself, Mrs Q and Mrs Negus are all looking forward to seeing you back in school soon.

Warm regards,

Home Learning, Westwood Academy Reception

Miss Neuschaffer and the team 😊
