Hi Year 4!

Sorry about the technical difficulties on our Zoom chat on Friday, at least we managed to get the answers for the quiz finished!

I hope that you're all well and trying your best with your learning. This week's planning is quite self-explanatory and uses the same websites we've looked at over the last couple of weeks.

I am conscious however, that we haven't done much work on spelling so I have attached the common exception words for Year 3 & 4 onto this document. It's expected that you should be able to spell all of these words by the end of the year so maybe test yourself and see how you get on.

Have fun, speak soon and stay safe,

Love from,

Mrs Ward 😊
