Hi Year 4!

It was lovely speaking to you all this week, I really enjoy catching up with you and seeing your faces! It was also great to share some ideas for planning in the next few weeks and you may notice that I've planned the Science we looked at on the Oak Academy site and continued with the rap writing in English this week.

Can I also use this opportunity to thank you (and your adults at home) for all the hard work you're putting in... I know it must be strange and not feel too important while we're not actually in the school building but it absolutely is. The more work you do now, the less you'll have to do when we are finally back at school. Imagine how great it will feel to come back and be able to show me something amazing you've learnt while being at home; whether that's your times tables, amazing handwriting, fluent reading or even riding a bike! I'm so proud of you all, please keep up the good work and effort and don't let it dwindle as the weeks go on.

Have fun, speak soon and stay safe,

Love from,

Mrs Ward 😊
