

# Home Learning, Westwood Academy Reception

**Week commencing:** 29<sup>th</sup> June 2020.

We look forward to welcoming most of our class back to school for the final three weeks of term. The time in class will be spent supporting Reception's transition into Year 1, as well as getting used to being back in the school environment and becoming familiar with the new rules across the school for some children. We will be completing activities to give to Miss Reynolds, as well speaking about what it will be like in Year 1 and discussing with the children how they feel about moving up to Year 1 after the summer. For those children not in school, the transition activities we do in class, will be uploaded onto Tapestry for you to do at home.

For the next three weeks, the days that children are spending in school will focus on activities relating to their transition into Year 1. For this reason, there will not be a timetable to follow, but an activity sheet to complete each day they are home. Each day children can revise one of the areas in Maths or Literacy we have covered in Reception, which relate to reaching their Early Learning Goal. You can complete the sheets in any order, as we won't be following these sheets in class.
