		Watch the videos on the above BBC link and have a go at the activities. Use the worksheet in the resources pack to tell me what an amazing person you are!	
Friday	Read a story book for 15 minutes. Continue to work on your Manual for Me.	TRANSITION ACTIVITY Number 1. https://www.bbc.co.uk/bitesize/articles/zgqp7yc Today is an opportunity for you to learn the basics of talking about your family and hobbies in French. Watch the videos on the above BBC link and have a go at the activities. Number 2. There is a 2Do task set in Purple Mash – it is a chance to think about a Back to School shopping list. What will you be bringing with you to Year 4?	If you can get out with a parent, try the Daily Mile – can you run or walk for 1 mile? (about 12 minutes slow jog). ICT – look at Purple Mash and make sure you have completed the 2Do activities you have been set.

Hello. I hope you and your family are continuing to stay well. These are the 'home-learning' activities for next week. I hope they are easy to follow and you are able to access the activities I have attached, please let me know if there are any problems or any questions you might need answering. If you are unable to print any worksheets please don't worry, I have tried to ensure that this is not necessary and answers/ work can be written on plain paper.

I can be contacted via the email address

Year3@westwoodacademy.org

The learning this week will be based around transition activities to Year 4. I have included in the resources a document entitled 'Manual for Me'. Although the children have the same teacher next year they will be starting a new year group and as such they may have different thoughts, concerns, ambitions, feelings etc. The idea of the activities this week is therefore to enable them to consider the move to Year 4 and any questions they may have or anything they would like to share regarding this.

As well as the Manual for Me, which the children should be encouraged to complete throughout the week, there are 2 Literacy based activities, 2 PSHE activities as well as a fun French lesson and a 2Do activity in Purple Mash, which will encourage the children to think about being organised for next year and the items they might want to include in a Back to School shopping list.

It would be really nice if the children could bring the completed Manual to school either the following week (if they are in school) or with them on the first day back after the summer break.

As always please let me know if there are any questions, either about the work I have set or any other learning the children are doing.

I'm looking forward to seeing you all again very soon.

Happy learning and stay safe.

Mrs Dench xx
