Hi Year 4!

It has been so nice to see some of you this week- although it wasn't exactly 'normal' what we have now is certainly better than not being able to see any of you at all. Next week's afternoon activities are based entirely on transition- hopefully making your journey to Year 5 a smooth one! If you are coming into school next week, please can you make sure that you carry out all the home learning activities so that you are up to date when starting the activities in class. You may have noticed that I have changed the Zoom chat time to 10.30 as this works better with our school timetable.

I hope you have a lovely week; stay safe and have fun.

Mrs Ward 😊
